

Drop off Box & Flyer for Apartment Buildings or Work locations

- Attached is a photo of a Drop Box Set Up inside a condominium (mail area) and a copy of the Flyer used with the Drop Box
- Setting up Drop Off Boxes has been an effective program in gaining access to gated multi unit complexes or apartments (especially if a member lives there)
- This also allows members who cannot walk a route to reach out to these complexes about participating through use of the drop off box.
- These photos can be used to show the complex managers how the box would look and the info that supports it
- We also know of members who would take some of their spare time to go door-to-door in their work area and ask neighboring businesses if they would set up a drop box the week of the food drive for their staff and customers
- Most food banks can supply you with boxes and the letter can be modified for your area.

BC THANKSGIVING FOOD DRIVE

We need your help!

Local Food Banks, help feed more than 100,000 people each month. These food banks do not receive government funding and rely solely on the public for donations. Many people would go hungry if not for the generosity of neighbors like you. Your support will help fill people with hope in this upcoming Thanksgiving season. Last year, over **450,000 lbs** of food was donated in B.C.!

How do I donate?

Easy! Just place unopened, non perishable food items in the **Drop Off Box** before **9:00am Saturday Sept 16th**. Your contribution will be picked up by volunteers and go directly to a food bank in your local area.

Items most needed

canned meat & fish - canned fruit & vegetables - rice - cereal
whole wheat pasta - pasta sauce - peanut butter - baby formula - baby food

Our volunteers will pick up Drop Off Box donations on:

Saturday, September 16th

If we missed your donation, and it is not picked up Monday September 19th, please contact us via email and include your street address and postal code
